LINK Family Scheme

CAMBRIDGESHIRE COUNTY COUNCIL — CAMBRIDGE HEALTH AUTHORITY

If you are able to take this scene for granted, read on:

Families with a child with special needs do not usually have such a choice. They need time to do the ordinary things in life just like other families.

This is where the LINK Family Scheme can often help. Could YOU care for a child with special needs in your home? A few days or even hours, occasionally, can be an enormous help.

The LINK Scheme can offer training, support and financial reward for this worthwhile and fulfilling work.

Interested? Then phone for an informal chat or write for more details to:

John Saunders/Claire Bright,
LINK Family Scheme,
Social Services Department,
74 Burleigh Street,
Cambridge CB1 1BR
Tel: Cambridge 311211

SHARING THE CARING

LINK family scheme was created by the Health Service and Social Services to enable families who have a child with special needs to have relief care from another family. It may only be for a few hours to give the child's parents a break or it may be for a few days to give them the chance of a holiday.

We are looking for couples, families and single people living in the area to become LINK carers and we would be pleased to discuss the scheme with you.

BAR HILL - EMMERTSGRUND FRIENDSHIP ASSOCIATION

Two important events concerning the above group take place this month.

First of all, most of the group will be taking part in the CAMBRIDGE EVENING NEWS FUN RUN on Sunday 4th September. Members will be seeking sponsorship for this event so I hope the community will give generously if asked to do so. All money sponsored will go to M.A.G.P.A.S. I'm sure all villagers are aware of the importance of this service particularly as most of us are road users living where we do.

Secondly, Cambridge City received the European Community Flag of Honour for its part in the Cambridge-Heidelberg Festival which takes place annually at Easter. The flag will be presented to the City on Sunday 25th September at the Guildhall. Our group, as with other groups of the partnership, will be holding various stalls in the market square on that afternoon including handicrafts, soft toys, earrings, etc. All hand-made by group members. Also we will have a wine raffle, name the German doll, darts and treasure hunt.

So come along and enjoy your Sunday afternoons this month - 4th and 25th - supporting the group's efforts.

Our apologies to Drivers (Estate Agents in the Mall). We missed them from our list of generous sponsors in the June issue of the B.H.N.

Ken Clarke,
Group Leader

WHAT DO YOU DO ON WEDNESDAY MORNINGS?

Would you like to come and join a class at Swavesey Village College studying the literature of the First World War? We're a friendly group consisting mostly of women but anyone of either sex and any age is most welcome. Transport is available from Bar Hill and there is a creche for pre-school children. The class starts at 10.00 (but we usually aim to arrive at about 9.50 so as to have time for a cup of coffee first) and finishes at 11.30, we are back in Bar Hill before 12.00.

We study a different subject each term but this term we will be reading and discussing the prose and poetry which was written as a result of the First World War. We will be considering how this writing changed society's view of war and how it shattered many of the illusions Europe held about itself. We will try to analyse some of the changes which took place as a result. Three books will be studied in detail, one of which will be "Goodbye to All That" by Robert Graves, and several poems, including those of Brooke, Owen, Sassoon, Rosenberg and Gurney. There will be plenty of opportunity for discussion, and the chance to do some writing if we wish, but there is no pressure on anyone who does not want to do so.

The class begins on 21st September. Why not come along to the first morning and see if you like it? You need not enrol in advance nor pay any fees (which are usually about £15.00 per term) until the second or third week. If you would like to know more, we have copies of a letter from the tutor giving an outline of the course and a reading list. Feel free to give any of us a ring - we would be very pleased to hear from you.

THE ROYAL BRITISH LEGION AND ROYAL BRITISH LEGION WOMEN'S SECTION

MEAN ANYTHING TO YOU? - Perhaps you merely say "Oh yes - the Albert Hall in November - television - poppies.

A few misguided people think Legion members are a bunch of folk who spend their time glorifying war, drinking beer and recounting war time events.

WHAT A LOAD OF RUBBISH!

Lets get down to the truth game - please - don't stop reading now. You may be surprised to learn the facts. For well over 60 years, nearer 70 to be exact, the Royal British Legion has provided practical or financial help and work, where no other aid was available or forthcoming, for thousands of Ex-Service personnel and their dependants.

Today in 1988 they are still responsible for so many including 5 Residential Homes and 3 Convalescent Homes. To date over 5000 taxi drivers have been trained, ultrasmart attendants provided at functions, car parks etc. They are the largest employer of disabled personnel through the Disabled Men's Industries at Maidstone, the Poppy Factory at Richmond and numerous other Associated Companies as well as a really helpful Housing Association. Individual branches all over the world carry on the good work at local level, with Service Welfare Committees available to provide financial or practical aid or perhaps arrange a much needed break or change of scene. All in strict confidence of course. This is only possible and able to be maintained by members voluntarily giving their services raising funds and supporting the "Legion's Life Blood" - The Poppy Appeal

The Royal British Legion Women's Section -(a separate entity with its own autonomy) care in the main for Ex-Service Women and dependants of Ex-Service personnel. They too have their own Flatlets, Widows Allowance Fund, Rest Homes and Welfare Fund, sell goods from Disabled Men's Industries, serve on War Pensions Committees and are a big help for the Poppy Appeal. Funds are raised in countless ways including Jumble Sales, Coffee get togethers, Theatre Nights - you name it - they do it.

Thank you for reading this far. INTERESTED? Do hope you are

The motto is Service not Self

Will you help us to keep helping others in need - we arestill greatly needed in so many ways. Want to know more? Come to a Bar Hill R.B.L. meeting - learn about everything - meet the members - the Chariman, Eddie Patrick will be delighted to welcome you -- so how about it? A few examples of people eligible to join:- Remember there are many more categories too numerous to mention, here are some:- Ex-Service men and women who have served at least 7 days with the colours and received 7 days pay in Army Navy or Air Forces. Serving member (18 and above) in the 3 services on Regular, Reserve or Auxillary engagements. Men who served in the Home Guard for at least 6 months, or Bomb and Mine Disposal Unit for at least 3 months. This only covers a few eligible for full membership, if outside the many categories you can still join as an Associate member and support our aims and ideals.

Remember - The Poppy Appeal is the Legions Life Blood Your help would be greatly appreciated this year (1988). Can you spare time please for house to house calls in your own or nearby streets (week of Nov. 7th) and/or Saturday 12th November for special daytime collections - more details next month. WE DO NEED YOU A writer said "Poppy Day is once a year - the Legion cares every day of the year"

The Next Meeting is on 8th September, 7.30pm at the Farmhouse.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNCILLOR

Dear Resident,

I am pleased to be able to report that by the time you read this Newsletter Cambus will have brought into operation their revised route for the 155 service. This now reverts to the original routing around the Perimeter Road in an anti-clockwise direction obviating the necessity of people having to cross the Perimeter Road after getting off the bus. It was last March that Cambus decided to introduce the clockwise operation, this received many objections from passengers. Cambus have only recently relented following complaints and lobbying from many sources including the County Council and the Police. I hope that the revised system will now remain with us and that there will no thoughts by Cambus to alter the route again. I am again pressing the County Council to provide footpaths to the bus shelters which where provided by the Parish Council during past years

The County Council's Traffic Committee have unanimously decided to increase the speed limit on the Perimeter Road from 30 mph to 40 mph I attended the meeting and put the views of residents and emphasised the need to closely monitor the new speed limit and review the situation later, this was agreed. 40 mph signs will be erected all around the perimeter road and 30 mph signs will be erected at the entrance to each estate road. The new limit comes into force after the County Council have completed the necessary erection of signs and legal proceedures.

The Secretary of State for the Environment has recently announced proposals to modify the County Councils Structure Plan which was submitted last year. These include the increase of housing by 10% and the construction of a new Settlement on the A45 West of Cambridge between the Green Belt Boundary and the A14 to include an out of town shopping centre and high tech business park along with 3,000 plus houses. He also proposed a village of 1,500 houses situated adjacent to the A10 North of Cambridge. He also confirmed the Green Belt Boundaries around Cambridge with two noticable exceptions. These were: Arbury Camps Farm and the City Council Allotments near Histon Road and the Sewage Works at Milton Road, which are likely to lose their Green Belt status. There are also some 40 other minor amendments. Local people will have six weeks in which to let the Department of the Environment know of their views on these changes. The full document can be inspected at local Government offices and at main Libraries throughout the County.

James Paice MP for South East Cambridgeshire will be holding a Public meeting at Dry Drayton Village Hall on 8th September at 8 pm to hear comments from local residents on the proposals contained in the Structure plan modifications. You are cordially invited to attend this meeting to air your views or write to James Paice at the Conservative Offices, 153 St. Neots Road, Hardwick.

If you wish to contact me telephone Careline Crafts Hill 80975 or write to Councillor John Reynolds, 4 Pettits Close, Dry Drayton.

I do hope that you enjoy this programme of courses as this is my swan song. After eighteen years at Bar Hill School I have decided to join my husband, who has taken early retirement, and to do some of the things we had planned to do together. Not quite climbing Everest or exploring the Amazon but something similar.

I had hoped that the Youth Club would be further on its way as that has always been close to my heart but "time and tide wait for no man - or woman". I wish you all well.

Irene Abraham, Community Co-Ordinator

*** NOTE FROM THE EDITOR: On behalf of the Residents Association I would like to thank Mrs. Abraham for her contribution to village life and her regular articles in the Bar Hill News.

We wish her well for the future.

This has been requested by a group in the village who visit regularly Bar Hill's twinned village Emmertsgrund but this course will be of equal interest to anyone wishing to have an insight into the German language and the country.
